

”

The restrooms are very fresh. I did not use the bathrooms before.

Maria Mäenpää

”

One can breathe now. It does not smell like sweat anymore.

Omar Omeirat Teque

”

It is cleaner, not a lot of rubbish in the corridors.

Alexander Nagy

”

Everything is better in the new school.

Christoffer Spade

”

We have got bigger and better classrooms and better air.

Cassandra Karlsson

”

We have got a nice café and meeting point.

Lizette Nordling

To belong to the group of students that are the first to attend the most environmental-friendly school in Sweden is great. We have got a school to be proud of.

Student's council 2008

Vargbroskolan in Storfors

The only one of its kind – superinsulated, environmental-friendly, heated by body heat

Contact: the municipality of Storfors 0550-651 00, Energy Advisor Kennet Lindqvist 070-372 17 02, Headmaster Sven-Erik Rhén 0550-652 02, Technology Manager Lars Röös 070-606 51 61.
